

Jayne Govens

BIO SKETCH

Born and raised in New Castle, Delaware, Jayme Govens is a graduate of Thomas McKean High School. She has a Bachelor of Science degree in accounting from the University of Delaware and a Masters in Business Administration from Strayer University. She works for the State of Delaware as a data analyst.

Outside of work, Ms. Govens volunteers for local organizations such as the Down Syndrome Association of Delaware, NPHC and Girls on the Run.

Jayne says that seeing her children and other youth excel brings her joy, and her children are doing just that. Her daughter, Joshlynn, is a senior majoring in Elementary Education at Delaware State University, and her son, Jayden, is a junior at Villanova University studying Economics and Spanish.

As an advocate for youth, Jayme was a Daisy Scout Leader for 5 years, a Zeta Phi Beta youth advisor for 15 years, a Zeta Phi Beta State of Delaware Youth Director for 5 years, and has been a Tri State Our Little Miss Scholarship Pageant Judge. She has led the Biennial Baby Blue Revue and debutante ball for 4-8 year old girls which helps to raise money for scholarships.

In her downtime, Jayme loves listening to music and loves anything "techie." She also enjoys working part-time at the library for fun.

Jayme follows the quote written by Simon Sinek, "A mentor is not someone who walks ahead of us and tells us how they did it. A mentor is someone who walks alongside us to guide us on what we can do."
